

# WOOTTON PARK

*'Ipsum quod faciendum est diutius'*

## Kayaking Fun

**Tuesday saw a small group of Year 7 and 8 learners go Kayaking.**

A group of 11 learners joined the East Hunsbury Seniors group for a commity project at the white water centre. They had a great time Kayaking and jumping in the water on a sunny morning.

## WPS Finishes for Matt

**Learners took part in a 3.7 mile run to raise money for Matt.**

Learners from Primary and Secondary took part in the Finish for Matt event this week, in memory of Matt Campbell, a former Master Chef contestant who sadly passed away whilst running the London Marathon this year. In addition to running the 3.7 mile distance, learners also donated money towards Matt's charity, The Brathay Trust. £233 has been raised so far. It was lovely to see so many learners taking part and enjoying running and supporting one another. If any learners would like to make a donation towards The Brathay Trust, they should bring it to the office on Monday 21st May.

A big thank you to Mrs Gallagher who took time to speak with the runners before the race and share her London Marathon experiences.

## Saints Trip for year 1

**IHB/KA took part in a trip to the Saints**

On Monday, a group of year 1 learners went to the Saints Study Centre to take part in a day of activities, including a mini sports games, learning about healthy food and a tour of the stadium. The learners had a great time. The other half of year 1 (IRM) will be attending this Monday. Please remember to send your child to school in their PE kit if they are attending this trip on Monday. We look forward to sharing more on their trip next week ....

## Royal Wedding Celebrations

**Primary Learners enjoyed a picnic lunch on Thursday to celebrate**

Reception and Year 1 learners joined together to enjoy lunch on Thursday. Learners sat with friends, enjoyed hot dogs and ice creams. The learners chatted about the royal wedding and all they have been learning about. Some of our learners helped to make a royal wedding card, which has been sent to Prince Harry and Meghan.

## Humanities project for year 7

**A fun project for year 7 learners, building 3D models.**

The Year 7 Learners have been learning about sustainability and the importance of recycling for the future in Geography this week. After conducting some research on sustainable living, they worked in groups to design and make 3D Sustainable City Models.

This activity tested their creativity, their innovation, their design skills, their planning and their organisational skills alongside teamwork and collaboration.

All groups worked extremely well and, as you can see from the photographs, they produced some exceptional sustainable cities. The competition was very hard to judge and prizes were awarded for creativity, sustainability and team-work. Well done to all of the Year 7 learners involved.

Miss Carter

## Year 7 Residential Trip

**91 year 7 learners have been to the Pioneer Centre this week.**

Our year 7 learners have returned from their three-day trip full of excitement as well as quite tired. They have enjoyed lots of activities, raft building, climbing, abseiling, teamwork and so much more.

We hope the learners enjoyed their trip and have been sharing these memories with you. A big thank you to all the staff that helped on the trip.

## School Photos Reminder

**Class Photos and a whole school photo will take place next week.**

Just to remind you that our learners will have class photos taken on Monday 21<sup>st</sup> May and a whole school photo on Wednesday 23<sup>rd</sup> May. Please can you ensure your child is wearing the correct uniform.

## Car park safety reminder

Can we please remind all parents/carers that you should be parking in the sports pavilion car park at school drop off and pick up times. Only those with a blue badge may park in the car park at the front of the school. This is to keep our learners safe when coming in and out of school and to ease congestion.

Please be careful when dropping off and collecting your child in the surrounding streets to the school. We have had a few incidents reported to the school so would like to remind drivers to consider learners that are walking this way.
