

CAREERS NEWSLETTER

WELCOME

Welcome to the first Wootton Park School Careers Newsletter. We are incredibly excited for what we have planned for the next academic year for our primary learners across EYFS to KS2. We are keen to expose our learners to a variety of career paths through fun and interactive activities.

NEXT STEPS TEAM?

The Wootton Park School 'Next Steps' team are here to ensure primary learners are given ample opportunity to explore the working world with playful classroom activities and external speakers. We believe that showing learners a variety of pathways will allow them to make informed choices about their next steps and to aim high with their aspirations.

Mrs Steere

Head of Sixth Form
Mr Kilcoyne & Dr
Rautenberg

SILVERSTONE STEM WORKSHOPS

We are keen to show our learners opportunities in STEM related pathways. Year 5 & 6 learners had a brilliant day with the Silverstone Interactive Museum team. From trying on race suits to learning about careers in motorsport racing, these two year groups completed the workshops feeling very inspired!

YEAR 5 LEADERSHIP TRAINING

We always want to encourage our primary learners at WPS that they are never too young to support others. A group of year 5 learners had a fantastic opportunity to receive leadership training from Northamptonshire sport. Following on from this, these learners now run playground games and activities for younger learners during play times.

PARENT FEEDBACK

We are keen to collect feedback from parents to understand how we can continue to improve our Careers Programme. If you have any suggestions of what you would like to see, we would be grateful to hear from you! Please fill in the form here.

CONTACT US

If you or your child have any queries about our programme including work experience, please feel free to email either the Careers Lead or Careers Officer below and we will endeavor to get back to you as soon as possible.

UPCOMING EVENTS

Careers Talks - Author Sue Bentley: 27th Jan

We are excited to welcome Sue Bentley, a best-selling author of children books. Our primary learners will have the chance to hear one of her charming tales and have a chance to ask her any questions they may have!

National Apprenticeship Week: 6th - 11th Feb

Our National Apprenticeship week in 2023 will give primary learners a chance to learn about different pathways to reach their destination.

National Careers Week: 6th - 11th March

National Careers week will be focused on raising aspirations and supporting learners to consider a wide range of job roles and pathways.

EYFS What I want to be when I grow up day!

During Careers week, EYFS learners will have the chance to dress up as a job they would love to have when they're older! This is a popular day in primary and the learners thorough enjoy putting on a new uniform! care will be focused on raising aspirations and supporting learners to consider a wide range of job roles and pathways.
