

Inequality and injustice

Well-Being Wednesday

At Wootton Park School we know that Wellbeing is just as much about standing up for others as it is about looking after ourselves. We have learned over the last three months just how sociable human beings like to be, and how difficult it is when we are isolated from others. With this in mind we have chosen this week to focus on the importance of standing together when our fellow man needs it most and would like to encourage you to think about the role we can all take in eradicating inequality and injustice.

At Wootton Park we stand against all types of
