### Design a Super Hero

We all know that at Wootton Park School Wellbeing and Community are some of our most important values. Why not try an activity that will impact both?

To show gratitude to the key works who have so selflessly continued their jobs in order to ensure the smooth and safe running of our society, we would like you to design a Super Hero inspired by these heroes in our communities

You could design a Super Hero inspired by

- nurses,
- doctors,
- police officers,
- delivery drivers,
- retail workers,
- or maybe even someone close to you who has been inspirational in their efforts during this time.

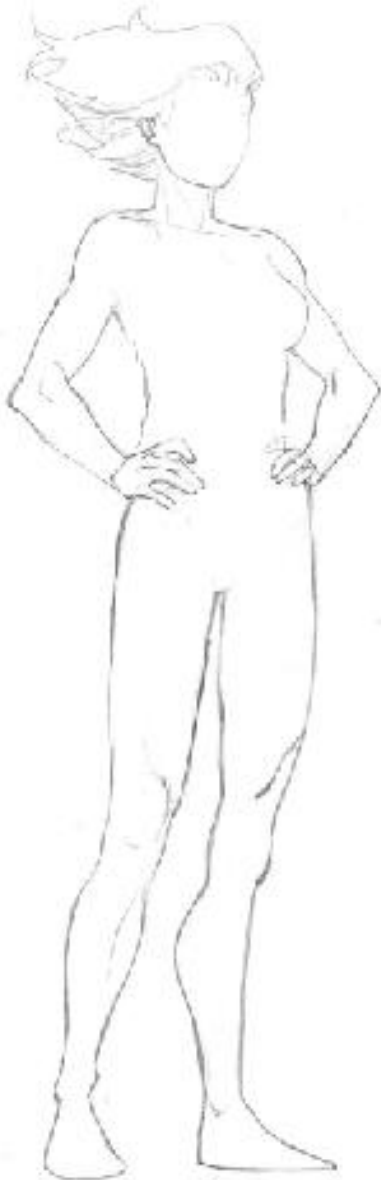

You could use the templates to draw your Super Hero design, or make one of your own. We would like to celebrate your designs, and the best ones will be placed on the School website for all to see!
