Travel Activity Books

Introduction

We may not be able to travel at the moment, but that doesn't mean we can't plan where we would like to travel in the future! Why not take this time to learn more about a country you are interested in, or find out more about our own country? These activity booklets contain prompts for research, colouring, stories as well as word searches and other fun puzzles about different countries around the world.

Instructions

Click on this link https://deliberatetravel.com/kids

You can then choose from a range of countries: England, Iceland, Japan, Morocco or Brazil. You do not need to enter any details or sign up to anything, just download and print the work book and enjoy completing the activities inside.
