

# DIVERSITY WEEK

## WEEKLY WOOTTON PARK WELLBEING CHALLENGE

We are celebrating how unique and different we all are this week and looking at how equality, fairness and kindness is so important in the world we live in.

Listen to this story read by Mrs Chambers about a girl Rosa who always tried to do what was right. Think about these questions and talk to an adult about them.

Describe some of the feelings the different people in the story had - they may have changed through the story.

How would you describe Rosa as a person? Why?

Do you think Rosa was right in trying to change the rules? Why?
