

Wellbeing Wednesday: 22nd April 2020

Message for parents and learners,

Welcome to another Wellbeing Wednesday, where we would like to encourage you to try a new Enrichment Activity, the Well-being Challenge, or just enjoy time with your family in your homes. There are many challenges to engage with; we are really looking forward to seeing what you can come up with!

Every Wednesday we will have a

- selection of Enrichment Club activities to try out,
- the Weekly Wootton Wellbeing Challenge, or
- why not try an Extended Project?

This week's Enrichment Club activities:

- Cornflour slime
- Creative writing challenge
- The Lego challenge
- Weave a rainbow to show your support of the NHS
- Weaving challenge
- Why not create your own Enrichment Club?
 - o Think of an interesting activity aimed at either the Primary Phase, or Secondary Phase.
 - o Create a guide with examples
 - o Submit it to Miss Watts... you never know, your Enrichment Club idea could be on next week's Wellbeing Wednesday activity list!

Attached you will find useful instructions, and links to websites to help you with some of the tasks. If you create something you are proud of, why not send a photograph of your work to info@woottonparkschool.org.uk

A selection of the work will be placed on the website for all to see!

Kind regards

Jennifer Watts
Assistant Principal
