

## VE Day

### **Wellbeing Wednesday: 6<sup>th</sup> May 2020**

#### **Message for parents and learners,**

Welcome to a special Wellbeing Wednesday, where we would like you to join us in preparing for the VE Day celebrations. “On VE Day 75, Friday 8 May 2020, an official programme of national events, collective moments of commemoration and celebration, and personal tributes will be taking place all from the safety of people’s homes - Giant street parties were the order of the day for many communities celebrating VE Day in 1945. Whilst in 2020, Covid 19 restrictions around social distancing and gathering mean that we cannot recreate such large-scale scenes, with a little imagination... you can bring the VE Day street party spirit into your own home.” SSAFA, the Armed Forces Charity

#### **Preparing for VE Day:**

- Bake the classic British scone
- Create your own Bunting
- Make some homemade lemonade
- Celebrate through performing arts

Attached you will find useful instructions, and links to websites to help you with some of the tasks. If you create something you are proud of, why not send a photograph of your work to [info@woottonparkschool.org.uk](mailto:info@woottonparkschool.org.uk)

A selection of the work will be placed on the website for all to see!

Kind regards

Jennifer Watts  
Assistant Principal  
Wootton Park School
