

EYFS Multi-Skills Festival

Seven of our reception learners took part in a Multi-Skills competition at Towcester Leisure Centre in March. The learners competed in a range of jumping, throwing, kicking and running events over the course of the morning.

They worked really hard on all of the activity stations, as well as having lots of fun. There were a total of eight teams competing and our school came an amazing second, winning the runners up trophy!

We are extremely proud of all the learners that took part, both because of their sporting performances and their impeccable behaviour.

KS1 Athletics Festival

On Wednesday 1st May, we took a group of 10 learners to Moulton College for an athletics festival.

They took part in a variety of events including long jump, howler throw, 50m sprint and 300m race. There were some amazing performances by our learners on all the events.

The festival finished with a brilliant relay race. All the learners worked hard and showed fantastic sportsmanship. For many of them it was their first time on a purpose built athletics track. Well done to all the learners that took part.

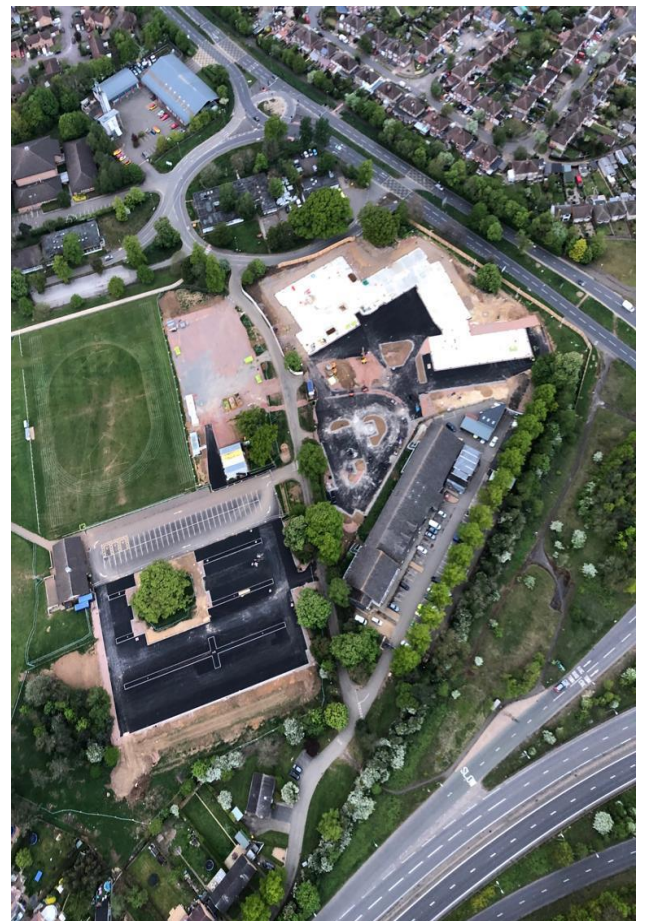

Site Progress

If you don't already, please do follow our WPS Facebook page to see amazing aerial shots of our school as our permanent site takes shape!

May 2019

Wootton Park School Prefects

We are excited to announce that we have recently appointed our first ever prefect team. The team consists of 10 year 8/9 learners. We were blown away by the high number of applications that we had.

Learners went through a formal selection process that involved both a written application and an interview stage. Some of the answers within the interviews were so strong that it was hard to believe they were only year 8/9 learners! The 10 successful learners were congratulated in our end of term assembly before Easter and were presented with prefect certificates.

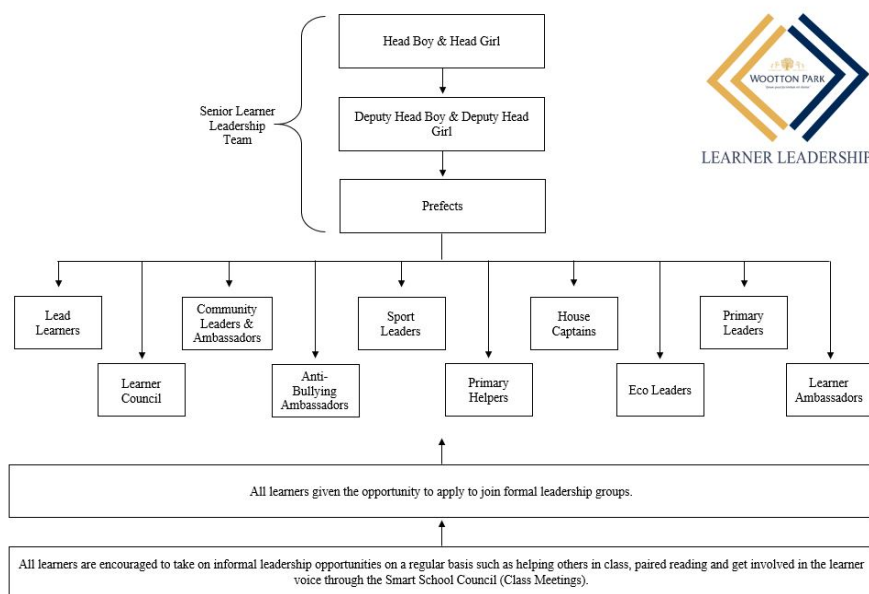

This newly formed team will be joining our current head boy/girl and deputy head boy/girl to form the Senior Learner Leadership Team (SLLT). The SLLT will be the highest representatives of the learner body and will take overall responsibility for ensuring every learner has the opportunity to have their voice heard. They will work with the Principal, staff, learners and wider school community to help contribute to whole school improvement.

On Monday 29th April, we held our first SLLT meeting. The meeting started with some teambuilding activities to help bring the group together. The learners then went on to discuss what they love about WPS and what they could do to make it even better. It was lovely to hear how positive and passionate the learners were about the school. Some of their initial ideas moving forwards included recycling and friendship drop in sessions.

The prefects will also be taking on a number of duties each week to support at lunchtimes. You will be able to identify them by their new white prefect badges that will be arriving shortly. Watch this space!

Diary Dates:

Primary Big Bedtime Story: Wednesday 8th May, 5pm.

Year 7 Residential Trip: Pioneer Centre: Monday 13th May – Wednesday 15th May.

HPV Vaccines Yr 8 & Catch up Yr 9: Monday 13th May.

Birmingham Royal Ballet Trip: Wednesday 15th May. (places have now been allocated)

Class Photographs: Monday 20th May.

Primary Woburn Trip: Tuesday 21st May.

Year 9 Battlefields Trip 2019: Friday 24th May- Monday 27th May.

Bags2School: Weds 22nd May.

Les Miserables Trip: Thursday 6th June. (places have now been allocated)

New Starters: 2019

Last week we started our transition events for our new learners starting in September.

We are delighted to share that we were heavily oversubscribed again for both EYFS and year 7 intakes.

We are fortunate to be in such a position and it is reflective of the excellent learning community we have created together.

Thank you for your support.
