

WOOTTON PARK

'Ipsum quod faciendum est diutius'

Whole School Wellbeing Day: Monday 22nd July 2019.

Wootton Park School will be delivering a whole school Wellbeing Day for our learners. Learners will spend the day developing their understanding of what wellbeing means, experiencing different strategies to help develop mindfulness and improve wellbeing, as well as developing positive relationships with both staff and their peers.

We are excited to continue promoting positive wellbeing with all learners, both primary and secondary, and shall ensure that there is a continued focus on looking after ourselves and each other in the new academic year.

There will be sessions relating to exercise as well as team building activities throughout the day, so learners will be required to wear their PE kit to school rather than their usual school uniform.

If you have any questions or queries regarding this then please do email Mrs Wild, Wellbeing Coach at l.wild@woottonparkschool.org.uk.

The 'Spiritual, Moral, Social, Cultural' Quality Mark

We are extremely proud to be awarded the Silver Quality Mark for SMSC, and are now aiming to achieve the Gold Standard in the following academic year.

In order to help to develop the SMSC provision further, we would be grateful to receive feedback and suggestions for the next steps in this journey. If you have any queries surrounding SMSC, or have ideas for the further development of our provision, please send an email to j.watts@woottonparkschool.org.uk.

For further details about SMSC at Wootton Park School, please visit us here: <https://www.woottonparkschool.org.uk/our-school/spiritual-moral-social-and-cultural-development>

We welcomed our first Ofsted inspection this week on 9-10 July 2019!

Thank you to the many parents and carers who contacted the school to offer their support and encouragement. We are extremely proud of our whole school community.

We can expect our Ofsted grading to be announced over the next couple of weeks.

Fundraising Achievement!

Huge congratulations to Rebecca in year 7 who took on the challenge of abseiling down the Express Lift Tower in Northampton last Saturday.

Rebecca raised over £800 for Cancer Research – an amazing achievement! Well done Rebecca! We're very proud of you.

New Lab Coats!

We think our secondary learners look really smart in their newly arrived lab coats.

Black Country Museum

Our year 8 learners enjoyed a fantastic trip to the Black Country Museum this week where they learnt about the history of the industrial revolution, visited shops and homes from the Victorian era to the 1930s and experienced what life might have been like down a mine!

Learners went to a Victorian school lesson which showed them how school has changed, saw the way of life of labourers, chain makers, hauliers, boatmen and miners, and considered how the role of women in society has changed over time.

They visited a narrowboat living quarters, a general store, a hardware shop, the old sweet shop, the Victorian fairground, a back-to-back terrace, a better off family home - complete with small holding, pigs and outdoor lavatory.

They played Victorian street games, saw vintage motorcycles, a limelight cinema, saw a working mineshaft engine, heard about the work of miners and saw the trolley buses and vintage cars still running today.

The learners were really immersed in the experience, asked insightful questions and enjoyed their day

Sports Day

A host of sporting activities takes place next week. Parents are invited to watch:

- **Primary Sports Day: Friday 19th July 9.00-10.30am.**
- **Whole-School Relays (Primary and Secondary) : Friday 19th July from 1.50pm - 3.15pm**

We are proud to be celebrating School Diversity Week

Stand up for LGBT+ equality in education!
