Fundamentals Festival

This week all of our primary learners took part in a Fundamentals festival.

They enjoyed a range of activities including speed bounce, dribbling and target throwing. Our secondary sports leaders did a fantastic job at leading these events and supporting our younger learners in achieving their best.

Football Success!

The Year 8 and 9 footballers won the EFL u14 Northampton Town tournament on Wednesday 22nd May.

The girls were superb throughout. Bella, Chloe and Mia scored the goals during the tournament. Becca did not concede a goal all tournament which was another great achievement for the team.

- Wootton Park 0 v Duston 0
- Wootton Park 1 v Weavers 0 (Bella)
- Wootton Park 1 v Weston Favell 0 (Chloe)
- Wootton Park 3 v Sponne 0 (Bella 2, Mia)
- Wootton Park 0 v Moulton 0
- Wootton Park 1 v CCS 0 (Bella)

One more for the girls this year which will be the Year 9 County Cup Final against Duston. The date and time hasn't been announced yet but if anyone is available to come and support the girls when it is announced they will really appreciate it!

Northampton Casuals will be holding the first girls' full training session at the Club on Saturday 7 September from 1100 to 1230. We'd really like to see as many girls (Juniors Yrs 8 to 11) there as possible. For more details, please see Mr Cowdell.

Sustainable Communitites

The Year 7 Learners have been learning about sustainability and the importance of recycling for the future.

After conducting some research on sustainable living they worked in groups to design and make 3D Sustainable City Models. This activity tested their creativity, their innovation, their design skills, their planning and their organisational skills alongside team-work and collaboration.

Princess Trust Fundraising

Having never had her hair more than trimmed since she was born, Erin in year 9 decided to donate some of her hair to the Princess Trust which makes wigs for children and young adults up to the age of 24 who have lost their hair through cancer or other illnesses.

Erin had the chop this week and has been able to donate just over 10 inches to the charity.

As the charity relies entirely on donations, Erin also decided to raise the equivalent of the cost to make a wig which is around £350.

Amazingly although a rather challenging figure, Erin has managed to hit her target through the support of friends and family.

Well done to Miah in year 9 too who has also donated hair to this charity. We are very proud of you both.

Wishing you an enjoyable and relaxing half term break. See you back at school on Monday 3rd June 2019.

Sponsorship opportunity

In association with our fantastic PTA, we are looking to raise money to put towards outdoor play equipment for our playground when we move onto the new school site next year. The purpose of the equipment will be to provide a safe, exciting and vibrant play area for children of all ages. It will encourage creativity and challenge whilst having numerous benefits to health and wellbeing.

Are you part of a business that might be interested in a sponsorship opportunity?

We are seeking local businesses that would be interested in sponsoring either our new play equipment or our sports team kit. We would be grateful for any donations, and in return we would happily look into ways we could help promote your business. If this is something that you might be interested in, please get in touch with Rob Kilcoyne by emailing r.kilcoyne@woottonparkschool.org.uk.
