

# WOOTTON PARK

*'Ipsum quod faciendum est diutius'*

## Public Consultation Meeting

**On Thursday 18<sup>th</sup> January, we held our public consultation meeting for our new school building. We are excited to be able to share with you the plans.**

Thank you to all of those that could attend the public consultation and hope you enjoyed finding out more information about our new build. We were overwhelmed by the response and your words of encouragement about WPS. These designs will be shared with the learners throughout the coming weeks. We will continue to update you as the plans move forward.

## Community Project

**A group of learners from year 7 & 8 took part in a community project in school this week.**

This week we hosted another Intergenerational Project, where we bring together learners and senior citizens from the local community. We played games, got to know each other and made plans for future projects over the coming months. All the learners involved made a fabulous impression on the seniors and represented the school (and themselves) incredibly well.

A huge thank you to them all.

## Girl's Football Team

### Congratulations to the girl's football Team

The girl's football team will be training with a coach from Northampton Town Football Club for six weeks as part of their prize for winning the local football tournament before Christmas. A coach joined the team this week for their usual training on a Tuesday lunchtime. The girls really enjoyed it. Well done to all those involved once again.

## Boys Rugby Team

On Wednesday 17<sup>th</sup> January, the boy's rugby team travelled to Northampton Casuals ground to play in a match.

The year 7 team played well winning 8-7 against Northampton Academy. The team members also received some training from Olly Joyce, who is part of the England Coaching team.

## World Book Day

Thursday 1<sup>st</sup> March 2018 will be World Book Day.

Further details for the day will be emailed home but we thought you might like to start planning your book day outfits!

We have also launched a 500-word story competition for our learners. We look forward to sharing some of these with you in a future newsletter.

## Year 8 Barcelona Trip

Thank you to all our parents for attending the information evening on Thursday 18<sup>th</sup> January. We hope you found it useful.

We are all really looking forward to the trip!

## School Car Park

Gates to the front school car park will be closed to avoid congestion at drop off and pick up times.

Just a reminder to parents and carers when dropping off and collecting learners, please use the pavilion car park. The gates to the main school car park will be closed during these times to ease congestion, but most importantly, it is to keep learners safe as they walk into school. Your help in this matter is much appreciated.

Can we also ask for parents and carers to be mindful when going across the playground if PE lessons and enrichment clubs are still happening. Please carefully walk around these or wait for them to finish, ensuring safety for all.
