Photographs for Educational Use

We regularly take photographs of the children at our school as part of our public duty. We may use these images in our school prospectus and in other printed publications that we produce. Photographs of children are used for their learning experience and to show educational activities and achievements. Photographs will be displayed in the school, in newsletters, on the school website and on social media. We may also make video or webcam recordings for educational use.

Occasionally the media will take photographs or film footage of a school profile event. Learners will often appear in these images.

As a school we are aware that it is essential that photographs are taken and stored appropriately to safeguard the children in our care.

We take our duty of care towards our school community very seriously. It is of our utmost importance. If you have any Safeguarding concerns regarding personal images and information being displayed, please do contact the school so that we can respond appropriately.
